

Animal Client Release Form

I, the undersigned, understand that the Reiki/Energy Healing session is given for the purpose of stress reduction and balancing of energies to promote healing. I understand very clearly that a Reiki/Energy Healing session is NOT a substitute for medical diagnosis and treatment. Reiki/Energy Healing practitioners do NOT diagnose conditions nor do they prescribe, perform medical treatment, nor interfere with the treatment of a licensed medical professional. It is recommended that I take my animal to a licensed veterinarian or licensed health-care professional for any ailment my animal has.
